

# RISK BENEFIT ASSESSMENT

<b>Activity:</b>	Grounds	<b>Date:</b>	March 2018
<b>Assessors:</b>	Pete Harrison & Ben Wire	<b>Review date:</b>	March 2019

**Benefits:** Giving our guests the opportunity to stay in a historically significant building.

**Risks:** See below.

**Accessibility:** Our senior staff will ensure that medical notes for visitors are checked and understood prior to arrival. Our staff are aware of various inclusive strategies and will endeavour to meet the needs of all our guests.

Hazard	Who is at risk	PRECAUTIONS in place to reduce the risk of injury
Visitor/child getting lost	ALL	Easily defined boundaries – advised on out of bounds areas during initial walk & talk. Upper floors of Castle have signs. Instructors use radios to contact each other in different areas of castle/grounds. Lost child procedure.
Visitor/child run over in car park, vehicles on site	ALL	5mph speed limit at back of Castle. Any new companies/delivery drivers advised by Head Office to take extreme caution.
Unauthorised persons on site	ALL	All staff wear uniform, visiting teachers are known to the staff, sign-in and visitor badges to be worn visibly by any visitors, patrolled lock up, continuous adult presence, gates on portcullis, private signs around boundary and at key entry points.
Loose masonry, uneven pathways, wet stone paving, slips, trips & falls	ALL	Out of bounds areas include Flag Tower steps, activity fields (and route to activity field), regular site tidy, regular gardening & maintenance work by Ford & Etal Estates. Weekly contact with Head Gardener.
Steep slopes in the dene	ALL	Pathways are maintained regularly by the Estate, children warned to be careful on Walk & Talk, Dene is not accessed, unless with an instructor as part of an activity.
Falling from height	ALL	Rear steps up to balcony are fenced off and classed as out of bounds. Horseboxes locked so roof is inaccessible.
