Things To Bring

Here's a list of things you'll probably need for a typical stay at Ford Castle. Don't bring too much, remember you'll have to carry your own bag and take care of your own belongings. Please remember also that things can get lost, so don't bring anything that's expensive or that you really treasure. Please also remember that a lot of the activities especially outdoor ones will involve you getting muddy so please don't bring your best clothes or best trainers! As you pack your bag at home, tick off each item that you put in and then do the same when you leave the Castle to go home. Make sure that everything you bring with you is clearly marked with your name and your school's name.
